101

Welcome to Soroptimist!

We believe the economic empowerment of women and girls is the best way to transform their lives and the world.

For more than 95 years, Soroptimist International of the Americas has shown that with a financial investment toward their goals, women and girls who face obstacles such as racism, poverty, violence and teen pregnancy can achieve great things.

Our years of experience has taught us that **education is the key to unlocking economic empowerment of the world's women and girls**. When women and girls are educated, they have opportunity, choice and power to make healthy decisions for themselves and their families.

With help from our members like you, clubs, supporters and donors—we're making dreams come true for women and girls.

Thank you for joining us on this journey!

Soroptimist: A Strong History of Helping Women and Girls

Soroptimist is a global volunteer organization that provides women and girls with access to the education and training they need to achieve economic empowerment. Since our founding in California, USA in 1921, we have grown to include almost 30,000 Soroptimists in countries across North America, Latin America, and the Pacific Rim. Powered by our volunteer members, each of our nearly 1,300 clubs supports community-based and global projects benefiting women and girls. Since our signature Dream Programs began, **we have helped more than 100,000 women and girls reach their goals.** Soroptimist's investment is paying huge dividends—not only for these individual women and girls, but for entire communities and nations.

More and more people are beginning to discover what Soroptimists have always known—**the best way to lift up communities and nations starts with educating women and girls.** This growing realization provides an unprecedented opportunity. With strong support from

philanthropic individuals and organizations, we can seize this opportunity to reach more women and girls with our brand-unifying Dream Programs.

Our long history of women helping women in need, our replicated program outcomes, and our vast network of members and supporters positions Soroptimist to effectively reach women and girls in the countries and territories we serve.

We're focused on the the economic empowerment of women and girls because it is at the heart of lifting up society as a whole.

And we're just getting started. We've laid out an ambitious—but realistic—plan to reach far more women and girls. We are thrilled you have joined us!

“Together we are adapting to the changing times and working to create change where it is needed. The women and girls we serve have not reduced their dreams and neither will we.”

The Soroptimist Dream Programs

Soroptimist's Dream Programs ensure women and girls have access to the education and training they need to reach their full potential and live their dreams. Soroptimist is committed to investing in programs that have a sustainable, measurable impact on the lives of women and girls.

Investing in Women to Achieve their Dreams

Our signature program, the *Live Your Dream: Education and Training Awards for Women*, has provided cash awards to more than 30,000 women since its inception in 1972—empowering them to achieve economic independence.

Every year, Soroptimist **distributes more than \$2.8 million in education grants to about 1,700 women** all over the world.

Over half of our *Live Your Dream Awards* recipients are survivors of domestic violence, trafficking or sexual assault. Nearly all of the women and families we serve **have overcome enormous obstacles** including racism, poverty, teen pregnancy, and drug or alcohol addiction.

Live Your Dream Awards recipients may use the cash award to offset any costs associated with their efforts to attain higher education, such as books, childcare, tuition and transportation. This unique program is **helping women find their voice** and purpose while offering the resources they need to succeed.

The women and girls we serve are some of the most courageous, powerful and inspiring people you'll ever meet. Each and every one of them is a superhero. We are honored to share their extraordinary stories, which demonstrate the impact members like you make.

“In keeping my future in focus, I plan to align myself by obtaining the education i need to succeed. The *Live Your Dream Award* has been a tremendous blessing for me in helping me to conquer my dreams and it gave me this boost of confidence to keep pressing forward.”

—Ivana, *Live Your Dream Awards* Recipient

Putting Girls on a Path to a Brighter Future

Our *Dream It, Be It: Career Support for Girls* program **empowers girls to break the cycles of racism, poverty, violence, and abuse** by giving them the self-confidence and knowledge they need to achieve success in their future careers and personal lives.

Although all girls face barriers because of their gender, **we prioritize working with girls who have additional obstacles** including racism, poverty, unstable home lives, living in foster care, or teen motherhood. Soroptimist clubs work in partnership with girls in small groups or a conference setting to provide them with the information and resources they want and need to be successful.

By reaching girls while they are still young, we not only can help them stay healthy and safe in the short term, but we can reduce the number of women in crisis in the future. Putting girls on a path will help them realize their dreams.

“Dream It, Be It really helped me look at my goals long-term. It showed me that I’m going to fail sometimes and I have to learn from my mistakes.”

—Dream It, Be It Participant

Our Big Goal

Soroptimist has a Big Goal of increased collective impact. That means we make a **cohesive effort** throughout SIA—members, clubs, regions, board and staff—to **make a sustainable and measurable difference** in the lives of women and girls. It is about our organization all working together on the same programs with the same goals. Our brand is communicated through our Dream Programs. When clubs participate in and publicize the Dream Programs, it helps **solidify our brand image as an organization** that works to improve the lives of women and girls through programs leading to economic empowerment.

Spotlight on Clubs and Regions

Our clubs and regions contribute to increasing our collective impact through the delivery of our brand-unifying Dream Programs. The following examples are just a few of the amazing ways clubs contribute to our impact and brand recognition throughout the world.

SI/Curitiba Batel (Brazil Region) implemented a *Dream It, Be It* project in their community where they hosted a two-day conference for girls in their community. Along with utilizing the curriculum, the club provided lists of local courses that were free of charge for participants to continue their education. The club also brought in a speaker to share information about domestic violence and self-confidence.

Desert Coast Region hosts *Live Your Dream Awards* application workshops for current applicants, but they incorporate their relationships with past recipients to make the events even more special. The workshops honor former recipients by inviting them to share their stories and encourage new applicants. It's very motivating to the applicants to see someone that has been in their shoes succeeding because of the *Live Your Dream Awards* and the events help Desert Coast's Awards grow every year.

The *Dream It, Be It* program at **SI/Greater Santa Clarita Valley (Camino Real Region)** incorporated the conference model in their club's planning, and their largest conference reached 180 girls. One of the special aspects of Greater Santa Clarita Valley's program is that they bring in local women who are young but have endured some of the obstacles that the curriculum addresses. These women serve as "mentors," sharing their story with the participants and encouraging them to pursue their goals.

Northwestern Region had another great year for the *Live Your Dream Awards*. Along with increasing their region's club participation, the Region also attracted 20 new members to clubs. Clubs in the Region also distributed additional support to their recipients, including mentoring, job training, tutoring, tax/financial advice, and childcare assistance.

Best for Women Digital Newsletter

Soroptimist International of Americas' fully translated digital newsletter, which is published monthly, keeps readers informed of the organization's programs and club projects, while giving a global perspective on women's issues.

Club Giving

Club Giving is the way your club can help women and girls beyond your local community. Clubs are asked to contribute at least 10 percent of the funds they raise locally to fund our life-changing global Dream Programs, and increase the number of women and girls who benefit. When your club contributes to Club Giving it ensures that more women and girls close to home and across the world will have access to our programs. More women will be able to overcome challenges such as racism, sex slavery, domestic violence, poverty and drug abuse, and live more fulfilling lives. More girls will be able to overcome obstacles, increase their self-esteem, and pursue their dreams. Visit the [Donate/Fundraise](#) section of our website for more information about Club Giving and to see the benefits your clubs will receive with your contribution this year.

Convention

Held in even-numbered years, SIA conventions provide education, networking, cross-cultural and socializing opportunities. In addition to inspiring speakers and workshops, members also have the opportunity to participate in the decision-making process and meet Soroptimists from around the world.

Dream It, Be It: Career Support for Girls

Dream It, Be It is SIA's program that empowers girls to break cycles of racism, poverty, violence, and abuse by giving them the self-confidence and knowledge they need to achieve success. Through small group workshops or a conference setting, Soroptimists mentor girls on setting

and achieving their goals, moving forward after setbacks or failures, and discovering career opportunities.

Founders Pennies

Celebrating the founding of Soroptimist, Founders Pennies are a classic, time-honored tradition for clubs to support SIA's Dream Programs in a creative way. They are collected by clubs in a variety of ways and are usually submitted with SIA dues. Founders Pennies are calculated by multiplying \$.06 per member times the number of years since Soroptimist's Founding in 1921. In the 2020-2021 club year, Founders Pennies are \$6 per member.

Laurel Legacy

The Laurel Legacy is SIA's way of recognizing and honoring the generosity of those whose future gifts preserve the strength of our organization, and help women and girls to live their dreams. Arranging a future gift to Soroptimist is an excellent way to guarantee that our programs will continue to help women and girls.

Laurel Society

The Laurel Society is SIA's prestigious recognition program for donors who contribute gifts totaling \$1,000 or more. Since 1994, nearly 8,900 Laurel Society members have given over \$18 million dollars toward the economic empowerment of women and girls through our Dream Programs.. Donors can choose to designate their gift to the *Live Your Dream Awards*, *Dream It, Be It*, or Unrestricted Support, which provides funding where it's needed most. Laurel Society members' generosity provides ongoing financial support beyond their membership dues, ensuring the organization's global programs have the funding needed to serve women and girls around the world.

Live Your Dream: Education and Training Awards for Women

Soroptimist clubs have supported women's empowerment through access to education since 1972 with this cornerstone program. The award-winning, life-changing *Live Your Dream Awards* assist women who provide the primary source of financial support for their families by giving them the resources they need to improve their education, skills and employment prospects.
